First mining company in CAR ISRI GETS SAFETY SEAL FROM DOLE

APX, 21 March 2022 – Itogon-Suyoc Resources, Inc. (ISRI) has been given the Safety Seal by the Department of Labor and Employment – Cordillera Administrative Region.

Apex Mining Co., Inc's Vice President for Geology and Exploration and acting resident manager of ISRI, Dr. Eric S. Andal, received the seal of approval from DOLE's regional director for CAR, Mr. Nathaniel V. Lacambra.

ISRI is the first mining company in CAR to be given this seal of approval.

The Safety Seal Certification is a voluntary certification scheme affirming an establishment's compliance with the government's minimum public health standards, including the integration with the contact tracing application, StaySafe.ph.
