APEX MINING CO., INC.

APEX MINING RECERTIFIED TO ISO STANDARDS ON QUALITY MANAGEMENT AND ENVIRONMENT; ISO STANDARD ON OCCUPATIONAL HEALTH AND SAFETY

Apex Mining Co., Inc. has been recertified to ISO 9001:2015 (Quality Management System) and ISO 14001:2015 (Environmental Management System), as well as to ISO 45001:2018 (Occupational Health and Safety).

Complying to these standards demonstrates APX's unwavering dedication to sustainability. ISO 9001:2015 validates APX's consistent fulfillment of all regulatory requirements. ISO 14001:2015 testifies to APX's proactive measures to enhance its environmental performance, integrated into its business strategies and activities. ISO 45001:2018 confirms APX's robust health and safety protocols, always ensuring the well-being of its workforce.

These ISO certifications indicate APX's faithfulness to responsible mining.
